every country is
different

That Ireland is very
different to new
zealand

Everyone has
different beliefs
and Religions

What were you focusing on in your learning? (Big Idea, Key Concepts, Big Task)?

Answer:

Big Idea : Every country has diverse cultures and each culture has its own significant identity

Key Concepts:
Culture, Beliefs and Identity

To find a Country and make an itinerary and explain your country and make people want to go to your country

Share some key facts/learning that stands for you!?

The Irish
most popular
language in
ireland

The flag colours are
green orange and white

It is by
Scotland

What was your process for your learning?

- First we had a to find country that we wanted to learn more about that country
- Than we had to do research on that country and when we had make it in to an itinerary
